MEMORANDUM FOR: DEPUTY DIRECTOR, PLANS

25X1

SUBJECT: [REDACTED]

25X1

1. Confirming our telephone conversation of yesterday with reference to [REDACTED], I informed him that we did not deem it advisable to back his projected trip abroad.

2. I told him, however, that we were anxious to make his services available to us and that as soon as his papers were completely processed, I would discuss with him several proposals for his utilization.

3. He anticipates being in Washington next Thursday. Perhaps there will be some developments on his security clearance before that time.
